

The UniVac™ system is a compact adaptation of Kaivac's multi award-winning Dispense-and-Vac system. This one-fill "no-mop" cleaning machine offers a simple approach to cleaner, safer floors in a nimble single-piece package, ideal for congested areas with limited storage. Its extreme cleaning capabilities enable hygienic results in even the heaviest soil and grease conditions, leaving floors really clean and bone dry.

PERFECT FOR:

Kitchen Cleaning and Degreasing
Restroom Floors
Industrial Floors
Grouted Floors
Entrance Ways
Spill Pick-up
Flood and Salt Pick-up

HIGHLIGHTS

- Up to 60 times better at removing soil and contaminants than mopping
- Reduces cleaning times and chemical costs while producing better results
- Reduces the risk of costly slips and falls
- Optimized for high grease environments like food service and industrial facilities
- Cuts water use by up to 75%
- Reduces chemical use by two-thirds or more
- Easy to maintain and repair — no technician needed

LIFETIME WARRANTY

Exclusive use of Kaivac's specially formulated low-foaming sustainable cleaning chemicals increases the effectiveness and life span of our machines, so we offer a lifetime warranty on our Vacuum Motor!
