

Step-N-Go Blue Fiberglass Mop Handle
Foot pedal allows you to release the mop without touching, and the mop hooks allow the user to lift the mop head without touching – easily grasping the soiled mop head to place in the laundry, or garbage.

Ag Satin Finish Mop
The secret to a beautiful finish lies in the lint-free nylon monofilament yarn of our Satin Finish mop. It covers more square feet per loading and releases finish more evenly with less 'mop drag'. This means less work, with better results. Satin Finish is especially effective with high solid/gloss floor finishes. Works with our Step-N-Go Blue Fiberglass Mop Handle. Nylon monofilament yarn is completely lint-free for an unmarred shine. Releases finish evenly and smoothly for easy, quick application
