

# Self-Contained Extractor EX-SC-412

## Clean smaller areas quickly with this self-contained carpet extractor.

### Easy to use

The lift-off recovery tank on this compact self-contained carpet extractor lets the operator empty the tank into a drain or sink with ease.

### Enhanced user comfort and ease

Folding handle design adjusts to multiple positions for operator comfort. Plus, convenient trigger grips enable the user to dispense solution evenly through two spray jets. One-button cleaning simplifies operation.

### Complete clean

Clear sight tube allows operators to view solution level and also easily drain excess solution when finished.

## Key Benefits

- Easy-to-use design with lift-off recovery bucket and self-adjusting brush makes this extractor perfect in residential, rentals and small spaces
- Move easily in and out of vehicles or up and down stairs due to its lightweight design, folding handle and recessed transport grips
- Body design and construction delivers years of cleaning performance

# Self-Contained Extractor

## EX-SC-412
