 <br> <br> Industrial Floor Sweepers}

## Designed for tough jobs

Designed to tackle industrial cleaning applications, this series is the ideal solution for cleaning commercial, shop and factory floors. Built from high quality material, they provide years of cleaning while saving time and money. Increasing your productivity starts with the right sweeper.

## Optimum Performance

From floors to carpets without having to adjust the machine. These sweepers feature a special shock absorber that allows for the brush to immediately and constantly follow all types of surfaces and to self adjust brush pressure. No need to check brush wear as brush replacement is indicated automatically on the control panel display.
